Hi All – Here is the latest draft of the OR CZARA Closing the Gap paper. I made the following changes from Don's 9:52PM PST draft (12:52AM EST!)

1. Cross-checked and addressed Lynda's comments
2. Added clarifying language from Don re: Steve's comment on riparian buffers on Type N streams, and
3. Deleted out references to coho delisting and NMFS after talking with Allison and Christine.

Use this version to review for any last comments. We've decided to keep the paper on CZARA alone, given the short turnaround time for NMFS. Christine will be talking with Dennis about this as I'm sure we'll hear about at the Managers' Meeting. Talk to you all in an hour - Jenny
